Harsh Patadia

Education Credentials

- 2022 - 2026 **Bachelor's in Computer Engineering**
Dharmsinh Desai University of Technology, Nadiad, Gujarat
8.25 CGPA
- 2019 - 2022 **Higher Secondary Board (CBSE)**
Baroda Lions School, Alkapuri, Vadodara, Gujarat
88%

Projects

1. Loan Management : SpringBoot, RestAPI | [Link](#)

- **Technology Stack:** Built using Spring Boot for robust backend development, with RESTful APIs for seamless integration and communication.
- **Core Features:** Allows users to apply for loans, and track application status, ensuring a user-friendly experience.
- **Data Management:** Implements data storage and retrieval, with efficient handling of loan calculations and user authentication.

2. Blood Bank Management : Oracle SQL Developer, SmartDraw | [Link](#)

- **Technology Stack:** Utilizes Oracle SQL Developer for database management and SmartDraw for creating intuitive flowcharts and diagrams to visualize processes.
- **Core Features:** Enables efficient management of blood inventory, donor registration, and blood donation events, enhancing operational efficiency.

3. EventHive : MERN Stack | [Link](#) — (In Progress)

- **Technology Stack:** Developed using the MERN stack (MongoDB, Express.js, React, Node.js) to create a seamless and responsive web application.
- **Core Features:** Connects event hosts with potential sponsors, allowing sponsors to bid on events, fostering collaboration and maximizing event funding.
- **User-Friendly Interface:** Designed with an intuitive interface that simplifies the bidding process and enhances user engagement for both hosts and sponsors.

Technical Skills

- **Programming languages:** C++ C, Java, JavaScript, MySQL
- **Framework:** MERN Stack
- **Concepts:** Data Structures, Algorithms, DBMS, OOP, Design and analysis of Algorithm, HTML, CSS, Discrete Mathematics

Roles of Responsibility

1. Junior Associate at Sports Club, DDU

(May 2023-Sept 2024)

As an event manager, I excel in team coordination, task delegation, and decision-making under pressure. I effectively plan and manage event logistics, budgets, and schedules while ensuring smooth execution. My strong communication and resource management skills enable me to engage with stakeholders and ensure successful event outcomes.
